

### TUITION DEPOSIT

We look forward to supporting your enrollment. Once you are ready to confirm your intention to attend Webster University Geneva, the next step will be to send a **tuition deposit of CHF 1,500**. This deposit will confirm your plan to enroll and allow Webster to pre-register you for your courses (and will be deducted from your first semester's tuition invoice).

### HOUSING DEPOSIT

Please note that first-time Freshmen students are required to reside on campus. In order to reserve your place, we require a **housing deposit of CHF 1,000** (students who will be living with family locally must request a waiver). For additional information, please see the Residential Life form in your admissions packet.

**TOTAL DEPOSIT FOR FRESHMEN STUDENTS: CHF 2,500.**  
**(or CHF 1,500 if requesting the housing waiver, or for transfer students from other universities who will not choose university housing).**

*Please make sure to indicate the student's name with your **Webster Student ID number (which is listed on the admission letter)** in the bank transfer. Always retain a copy for your records.*
