TESTIMONIES

“Fatima and I spent all day yesterday exploring the area around les ‘Berges du Rhone’. Not only is the building situated right on the water, providing the apartments with beautiful views; it is also a short walk to Plainpalais. Plainpalais is filled with great restaurants, bars and shops. The neighbourhood around ‘Les Berges du Rhone’ is very convenient for students. The Post Office is very close, along with grocery stores and small shops and cafes. We were even able to find a cafe with billiard tables! The new apartment building is also close to various tram and bus stops making the short commute to school very easy”. **Simone**

“When I heard about the new Webster building in town, I thought it was a great idea, however, I wasn’t very sure about moving there and letting go of my apartment 2 minutes away from the train station. However, after going to visit it and walking around the river and the entire area, I changed my mind. The area is quiet and beautiful. It’s right on the river. It seems like its going to be a great apartment building.... and its only 15 minute walk to Plainpalais!” **Fatima**
